

Public Utility Tax Exemption Certificate for Persons
Supplying Power to Electrolytic Processors
(Effective July 1, 2004 – December 31, 2010)

Name of Buyer _____ Tax Registration No. _____

Name of Seller _____

Address of Buyer _____
Street City, State Zip Code

To be Completed and Signed by the Buyer or It's Agent

I, _____, understand that by completing and signing this certificate, I am certifying that:

- The buyer uses more than ten average megawatts of electricity per month in chlor-alkali or sodium chlorate electrolytic processing.
- The electricity purchased will be used exclusively in chlor-alkali or sodium chlorate electrolytic processing.
- I understand that a disallowance of all or part of the exemption is a breach of contract and the damages to be paid are the amount of the tax exemption disallowed. Damages will be equal to the amount of the tax exemption taken by the seller and **will be paid by the buyer.**
- The electricity sold for use in chlor-alkali or sodium chlorate electrolytic processing will be separately metered.

To be Completed and Signed by the Seller or It's Agent

I, _____, understand that by completing and signing this certificate I am certifying that:

- The price charged for the electricity sold for exclusive use in chlor-alkali or sodium chlorate electrolytic processing will be reduced by an amount equal to the tax exemption authorized by this certificate.

Effective Date: _____ Through (Not To Exceed 4 Years) _____
